

Phil Lautner hereby offers a reward in the sum of \$5,000.00 to the FIRST PERSON to provide acceptable proof to his attorneys leading to the identification and location of the person or facility which collected semen from Bojo in violation of Phil Lautner's rights. A photograph of a straw of such semen is reproduced below. A photograph of a lawfully collected straw of Bojo semen is also shown below. This straw was collected at Reproduction Enterprises, Inc. The only Bojo semen collected by Mr. Lautner has been collected at Hawkeye Breeders of Adel, Iowa, REI of Stillwater, OK or Integrated Breeders Service of Hearne, TX. The red straw of semen shown below was collected at none of those facilities.

The person coming forward with such proof and who seeks to collect the reward must agree to testify as a witness in any lawsuit concerning Bojo and the contraband semen.

The information furnished must be based on the personal knowledge of the person giving the information. Second hand information or "hearsay" is not acceptable as proof in a court of law and therefore will not serve as the basis to receive the reward. If anyone has valid hearsay concerning the collection of the semen or the location of Bojo, Phil Lautner would appreciate that information.

Persons with no first hand knowledge may work jointly with those who have personal knowledge to provide the information and collect the reward jointly. Only one reward is payable, however.

Admissible evidence should be delivered, initially via email, if possible, to Bradley J. Nelson at bnelson@denisonlawyers.com or Jessica Zupp at jessiczupp@denisonlawyers.com, or delivered to Phil Lautner's attorneys at: Norelius Nelson Zupp Zupp, 1317 Broadway, Denison, Iowa 51442. Mr. Nelson may be reached for questions or comments at (712) 263-4245, Monday-Friday, 8am-5pm, central standard time.
