Compared to two weeks ago: Feeder steers unevenly steady, feeder heifers steady to 5.00 higher. This week saw the first offering of spring born calves, the market was very active for these calves whether they were weaned or not. A good sized offering of yearlings, just a couple of long strings, many small packages. The yearling market was very active in spite of lower cash fed cattle sales and a much weaker price structure on the CME Live Cattle Futures, however the August contract did make gains of more than 1.00. There were plenty of buyers on the seats geared up and ready to buy calves and yearlings this week. Slaughter cows 3.00 higher, steady to 3.00 higher. There will not be an auction next Monday due to the Labor Day holiday. Supply included: 95% Feeder Cattle (43% Steers, 57% Heifers); 5% Slaughter Cattle (86% Cows, 14% Bulls). Feeder cattle supply over 600 lbs was 84%.
