Demand for yearlings was moderate to good for light offerings. Feeder steers under400 lbs were too lightly tested to develop an accurate market trend, higher undertones were noticed; 400-499 lbs steers sold steady to 10.00 higher; 500-599 lbs steers sold steady to 5.00 lower, calves over 600 were not well tested. Heifer calves under 500 lbs sold steady to 10.00 higher; heifers over 500 lbs sold mostly 3.00-5.00 lower. Quality this week was average to attractive. Most calves were offered in mostly small to medium size packages. Very few packages over50 head were seen this week. Trucks remain tight but have started to loosen up some according to buyers. Demand for grass calves was mostly very good this week as supplies have started to tighten. Fewer takers were seen calves over500 lbs this week which allowed prices to soften. Market activity this week was mostly moderate. Weigh up cows sold on light to moderate demand for moderate to heavy offerings. This sale offered the lightest cow offerings seen in weeks. Feeding cows comprised the majority of the sale this week. Fewer feeding buyers were on hand this week and prices slid on lighter demand. Packers showed very light to light demand for slaughter cows as they purchased only very lame or severely blemished cows to send to imitate harvest. Slaughter cows sold mostly 2.00-5.00 lower on boning and lean cows. Breaking cows were too lightly tested to trend, however lower undertones were noticed. Slaughter bulls were too lightly tested last week to develop any market trend. Young age cows suitable to feed or rebreed sold mostly3.00-5.00 lower. Fewer buyers were seen this week. Supply included: 57% Feeder Cattle (50% Steers, 50% Heifers, 0% Bulls); 31% Slaughter Cattle (96% Cows, 4% Bulls); 13% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 5%.
