Compared to last week: Public auction yards had back to back feeder specials last friday and again today. Compairsons are to last fridays feede special. Feeder steers under 600 lbs sold steady to firm, steers over 600 lbs sold steady to 5.00 lower. Feeder heifers under650 lbs sold generally steady, heifers over650 lbs sold mostly 2.00 lower. Feeder cattle quality was mixed from plain to very attractive. Several large load lots of reputation feeders were seen this sale. Demand remains good for both sexes of feeders suitable to develop into yearlings. Demand for heavy weight feeders was slightly lighter this sale as many roads and interstates to the plains and corn belt are closed after recieving heavy amounts of snow and wind. Several buyers remarked they were out of the market as a result. Market activity was mostly active again this sale and a large crowd was on hand for todays sale which pushed late into the evening. Demand remained constant as most buyers stayed the length of the sale. Weigh up cows sold on mostly moderate to good demand for light to moderate offerings. Eastern packer buyers showed slightly stronger demand for slaughter cows this sale as they pushed western packer buyers over offerings. Slaughter cows sold mostly1.00-2.00 higher on boning and lean cow offerings; breaking cows sold 3.00-5.00 higher in a narrow compairson, as feeding buyers looking for fat cows helped push all breaking cow offerings higher. Slaughter bulls sold2.00-3.00 higher. Young age cows suitable to feed or rebreed sold generally steady in a narrow compaison. Supply included: 84% Feeder Cattle (46% Steers, 47% Heifers, 7% Bulls); 10% Slaughter Cattle (87% Cows, 13% Bulls); 5% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 32%.
