Compared to last week, steer calves under 700 lbs. traded steady to 5.00 higher while same weight heifer calves traded 3.00-6.00 higher. Steer and heifer calves over 700 lbs. were not well tested, however undertones were lower. Demand was good on a moderate supply. The first significant snow of the Winter blanketed the Southwest part of the area and had a bigger impact on the pastures than the highways. Much like last week, what started out as a light run turned into a moderate one as single and small packages trickled in throughout the afternoon with very few large drafts in the offering. Supply included: 100% Feeder Cattle (53% Steers, 42% Heifers, 5% Bulls). Feeder cattle supply over 600 lbs was 39%.
