Compared to last week, there were too few receipts across most weight ranges for an adequate comparison however undertones on steer and heifer calves were steady to weak. Demand was good on a light supply, due to the upcoming holiday. The last sale of 2021 was a combined feeder and slaughter/replacement cow auction. The offering consisted of several small drafts as sellers were looking to turn some beef into cash for Santa and the County Collector. Ozarks Regional Stockyard's yearly totals for 2021 were: Feeder cattle 163,165 head which was 837 head more than a year ago; Video Auction 30,816 head which was 17,230 more than a year ago; Slaughter/Replacement Cow 43,683 head which was 3,289 head less than a year ago. On behalf of the Market News Service I would like to wish everyone a Merry Christmas and a Happy New Year. Supply included: 100% Feeder Cattle (52% Steers, 42% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 30%.
