Demand for yearlings was moderate to good for light offerings of plain to average cattle. Quality this week was average to attractive. Most calves were offered in mostly small to medium size packages. Very few packages over 50 head were seen this week. Trucks remain tight but have started to loosen up some according to buyers. Demand for grass calves was mostly very good this week as supplies have started to tighten. Market activity this week was mostly moderate, some buyers were absent from todays sale which softened demand. Weigh up cows sold on light to moderate demand for moderate to heavy offerings. This sale offered the lightest cow offerings seen in weeks. Feeding cows comprised the majority of the sale this week. Fewer feeding buyers were on hand this week and prices slid on lighter demand. Packers showed light demand for slaughter cows as they purchased only very lame or severely blemished cows to send to imitate harvest. Slaughter cows sold mostly steady to 2.00 higher for boning cows. Breaking cows were too lightly tested to trend, however firm undertones were noticed. Lean cows sold mostly steady to 2.00 lower. Slaughter bulls were too lightly tested last week to develop any market trend, but firm undertones were notices on an average to attractive quality of bulls in todays sale. Young age cows suitable to feed or rebreed sold mostly 3.00-5.00 lower. Fewer buyers were seen this week. Supply included: 69% Feeder Cattle (59% Steers, 40% Heifers, 1% Bulls); 22% Slaughter Cattle (89% Cows, 11% Bulls); 9% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 9%.
