Livestock Weighted Average Report for 5/31/2022 - Final

AUCTION

	This Week	Last Reported 5/24/2022	Last Year
Total Receipts:	1,555	791	0
Feeder Cattle:	153(9.8%)	204(25.8%)	0(0.0%)
Slaughter Cattle:	637(41.0%)	388(49.1%)	0(0.0%)
Replacement Cattle:	765(49.2%)	199(25.2%)	0(0.0%)

Compared to last week: Steers were all too lightly tested to develop any market trend. Heifers were too lightly tested to develop an accurate market trend, however steady to higher undertones were noticed. One load lot of replacement quality heifers was seen this week and these offerings sold on good to very good demand as buyers bid on them to breed and to run on grass, with grass buyers casting the winning bid. Outside of this load of heifers quality was plain and most offerings were sold as singles or small groups. Market activity was moderate to active. Weigh up cows comprised most of the offering this week as ranchers continue to brand cows and bring dries to town. Slaughter cows sold mostly steady to 1.00 lower on all offerings. Feeding cows sold fully steady. Packer buyers continue to show good demand for feeding cows as they continue to voice concerns of tightening cow supplies in the northern tier of the country going forward. Both cow and bulls were of average to attractive quality this week and better quality than was seen last week. Weigh up conditions were average to above average for buyers, but did deteriorate throughout the sale as temperatures warmed and cows and bulls filled. Young age cows suitable to feed or rebreec sold on good to very good demand this week. Several buyers were all searching for these offerings this week and demand was mostly good. Several sets of young to middle age cows sold as replacements this week as they were too thin for packers to purchase them to feed and would not yield high enough to send to slaughter. Quality was average to attractive. Young age replacement offerings sold generally steady. Supply included: 10% Feeder Cattle (8% Steers, 92% Heifers); 41% Slaughter Cattle (93% Cows, 7% Bulls); 49% Replacement Cattle (49% Stock Cows, 44% Cow-Calf Pairs, 5% Heifer Pairs, 1% Bulls). Feeder cattle supply over 600 lbs was 79%.

FEEDER CATTLE

STEERS - Medium and Large 1-2 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price
8	605-633	626	154.50-162.00	156.31

HEIFERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.

Explanatory Notes:

Stage (Cattle) - Represents pregnancy stage (O = open; 1 = 1st Trimester, 1 to 3 months; T1-2 = 1st/2nd trimester, 1 to 6 months; T2 = 2nd Trimester, 4 to 6 months; T2-3 = 2nd/3rd Trimester, 4 to 9 months; T3 = 3rd Trimester, 7 to 9 months; T1-3 = all trimesters, 1 to 9 months)

Age - Numerical representation of age in years.
