Compared to last week: Todays sale was very light on reciepts due to extremely cold weather over the last few days. Feeder cattle were all too lightly tested to develop any market trend. Several consignments of corriente cross cattle were seen today. Feeder cattle quality was mostly plain. Demand was light to moderate. Market activity was slow to moderate. Weigh up cows sold on mostly good to very good demand for light offerings. Packer buyers showed significanly stronger demand for slaughter cows this sale as they bid on very limited offerings. Slaughter cows were too lightly tested to trend, however higher to sharply higher undertones were noticed. Slaughter bulls were too lightly tested to trend, however higher undertones were noticed. Young age cows suitable to feed or rebreed were too lightly tested to develop a full market trend, higher undertones were noticed as slaughter buyers pushed all offerings higher. Supply included: 69% Feeder Cattle (66% Steers, 29% Heifers, 5% Bulls); 22% Slaughter Cattle (85% Cows, 15% Bulls); 10% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 68%.
