Compared to last week: Yearling steers were too lightly tested to develop any market trend. Unweaned steer calves under400 lbs sold mostly sharply higher, with most sale 10.00-15.00 higher; 400-549 lbs sold mostly 5.00 higher; unweaned steers over 550 lbs sold mostly steady to 3.00 higher. Yearling heifers were too lightly tested to develop an accurate market, however higher undertones were noticed. Unweaned heifers under 500 lbs sold mostly steady to firm. Unweaned heifers 500-549 lbs sold mostly 2.00-4.00 higher, heifer calves over 550 sold steady to firm. Quality this sale was mostly average to attractive. Demand was mostly good for moderate to heavy offerings. Many sets of short weaned calves were seen this sale. Buyers offered no premium for most of these calves as many were full, dirty and not very eye appealing. The best demand seen this week was for cattle suitable to develop into yearlings. Market activity was mostly active this week. A large crowd was on hand with many buyers and bidders both ringside as well as on the internet. Weigh up cows sold on mostly moderate demand for light offerings. Packers continue to purchase cows for the upcoming holidays. All cows and bulls were very full this sale offering buyers mostly below average weigh up conditions. Slaughter cows sold sold 1.00-3.00 higher, however cows on a dressed basis were 4.00-6.00 higher than last week. Feeding cows sold mostly 1.00-2.00 higher. Slaughter bulls were too lightly tested to trend, however steady undertones were noticed. 2-3 year olds sold steady in a narrow comparison. Supply included: 95% Feeder Cattle (60% Steers, 38% Heifers, 1% Bulls); 4% Slaughter Cattle (92% Cows, 8% Bulls); 1% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 19%.
