Compared to last week: Steers and heifers were too lightly tested today to develop an accurate market trend, however steady to higher undertones were noticed. Quality this sale was mostly plain. Most lots were offered in small packages or as singles. Demand remains good to very good. With only one feeder sale in billings this week several buyers were looking for cattle to finish filling loads and were aggressive as they did so. The best demand continues to be for cattle suitable to run on grass. Market activity was active to very active, despite light offerings. Weigh up cows sold on mostly good demand for moderate offerings. Packers and order buyers both showed the best demand for feeding quality cows this week. Slaughter cows sold generally steady. Feeding cows sold steady to firm. Slaughter bulls sold mostly 1.00-2.00 higher. Feeding bull buyers continue to push packer buyers as they try to purchase bulls, however packers purchased most of the bulls away from feeding buyers this week despite having to pay higher prices for bulls. Weigh up conditions were average to below average today with many full offerings noted. Young age cows suitable to feed or rebreed sold 2.00-4.00 higher. Quality this week was mostly average to attractive. Supply included: 36% Feeder Cattle (23% Steers, 63% Heifers, 13% Bulls); 39% Slaughter Cattle (89% Cows, 11% Bulls); 24% Replacement Cattle (93% Stock Cows, 2% Bred Cows, 2% Bred Heifers, 3% Cow-Calf Pairs). Feeder cattle supply over 600 lbs was 52%.
