Special Note: Correction on year ago receipts

Compared to the last special three weeks ago which was a special bred cow sale there really no recent sale for a good comparison. Friday's sale though started the year with a good offering of some top quality calves and yearlings in the offering all selling with a firm to higher undertone, especially the 600-750 lb heifers with many selling with good weighing conditions and several lots going for replacements. Also in the offering were several pot loads of 800-950 lb heifers and several part loads and pot loads of yearling steers weighing 650-900 lbs all selling on and active market. Slaughter cows traded 2.00-5.00 higher along with a nice offering of slaughter steers and heifers trading on an active market. Supply included: 83% Feeder Cattle (53% Steers, 46% Heifers, 1% Bulls); 17% Slaughter Cattle (24% Steers, 12% Heifers, 57% Cows, 7% Bulls). Feeder cattle supply over 600 lbs was 71%.
