Livestock Weighted Average Report for 10/30/2020 - 11/5/2020

LIVESTOCK SUMMARY

	Current Week	Last Reported 10/26/2020	Last Year
Total Receipts:	27,510	27,241	43,690
Feeder Cattle:	25,643(93.2%)	25,958(95.3%)	41,247(94.4%)
Slaughter Cattle:	1,867(6.8%)	1,283(4.7%)	1,256(2.9%)

Compared to last week, steers under 500 lbs sold 4.00 to 10.00 higher, over 500 lbs sold 3.00 to 5.00 higher and yearlings sold steady to 3.00 higher. Flyweight heifers sold 6.00 higher, over 500 lbs sold 2.00 to 4.00 higher and yearlings sold steady to 4.00 higher. Demand was good to very good with a large crowd of buyers at most auctions and active internet buying noted at most sales. Bulk of the calves are fresh bawlers right off the cow, most have pre condition shots and have a lot of eye appeal, big framed with weigh up in buyers favor. Higher market this week might be contributed to the farmer/feeder is done with harvest, they have large piles of feed and they can concentrate on weaning and keeping calves healthy. Comparing same week last year, this week there were more steers sold and the weights over 600 lbs came in 2% lower. The dry conditions across the state had a negative effect on the weight of these bawling calves. Moms milk and breeding bulls with high weaning weight EPD's did there part. If mother nature could of given the range some moisture, the grass would of added additional pounds to the sale weight. Feedlot lives sales sold at 2.00 to 4.00 higher than last week at 107.00 and dressed sales sold 4.00 to 9.00 higher at 167.00. Supply included: 93% Feeder Cattle (68% Steers, 31% Heifers, 0% Bulls); 7% Slaughter Cattle (100% Cows). Feeder cattle supply over 600 lbs was 26%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price
