Calves with only branding time shots showed no visible discount. Many strings were brought from dry areas resulting in green to moderate flesh conditions. The sale today brought an active market with a firm confidence on the part of the buyers that market conditions are good. Next sale is Oct 9, 2020. Supply included: 100% Feeder Cattle (56% Steers, 44% Heifers). Feeder cattle supply over 600 lbs was 63%.
