Livestock Weighted Average Report for 11/12/2021 - Final

AUCTION

	This Week	Last Reported 11/5/2021	Last Year
Total Receipts:	4,506	7,463	5,596
Feeder Cattle:	4,506(100.0%)	7,463(100.0%)	5,596(100.0%)

Compared to last week: Feeder steers under 550 lbs 5.00 to 10.00 higher, over 550 lbs steady to 2.00 higher. Heifer calves steady to 4.00 higher, except 350-400 lbs fully 10.00 higher. Very good demand for this large offering of high quality, attractive spring-born steers and heifers Many long strings of these calves, including full load lots. Market was active with many buyers on the seats, however the market was most active on steers under 550 lbs and heifers under 500 lbs. Supplies of these light cattle are starting to dwindle. Flesh condition on these calves was a tick heavier than what we've seen in recent weeks. Cattle feeders had a renewed sense of optimism this week after last week's fat market of 130.00-132.00. Not enough yearlings offered last week to compare to this week. Next week, November 19, 2021, special feeder cattle sale. Supply included: 100% Feeder Cattle (54% Steers, 45% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 21%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
23	260	260	225.00	225.00

Please Note:
The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
