Several large packages of Red Angus Heifers, that topped the market in their weight range, were likely headed back to breeding programs. Buyers are still looking for spring calves that have vaccinations, which most of the offerings carried. The next Spring Calf Special is November 11th. Supply included: 100% Feeder Cattle (66% Steers, 34% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 16%.
