Livestock Weighted Average Report for 8/27/2021 - Final

AUCTION

	This Week	Last Reported 8/20/2021	Last Year
Total Receipts:	2,700	2,486	1,849
Feeder Cattle:	2,700(100.0%)	2,486(100.0%)	1,849(100.0%)

Compared to last week: Steer calves sold with mostly firm undertones, instances of 2.00 to 8.00 higher on comparable kinds and quality, heifer calves steady to 3.00 higher. Yearling feeder steers steady to 2.00 higher, yearling heifers steady to 4.00 lower. Good demand remains for yearlings, especially for the long strings offered in full loads, and these sold on a very active market. The market was not as active for heifers this week as there was only 1 full load offered while the majority were small packages leaving buyers to put them together to get a load. Flesh condition ranged from light to moderate. Very good demand again for spring born calves, especially on the long strings as there was one consignment of 800 steer and heifer calves. The quality of the calves is very high and the flesh was light and attractive. These calves were lacking their fall booster shots as producers haven't been able to get them preconditioned yet, but this did not deter buyers as there were many eager buyers actively bidding trying to get these calves bought. Next feeder cattle auction will be next Fri, Sept. 3, expecting more yearlings and 2,000 head of calves. Supply included: 100% Feeder Cattle (54% Steers, 46% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 42%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
22	238-247	240	232.50-240.00	238.25

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
