Good to very good demand for both yearlings and calves this week. A couple strings as well as many packages and loads made up the yearling offering. Quality varied, but many plain to average yearlings today. Flesh ranged from moderate to heavy. Many packages and quite a few loads of calves with the majority still coming off the cow. Preconditioning comparable to recent weeks with most calves having full preconditioning or at least a full round of fall shots. Quality on calves mostly average to attractive and less flesh overall than two weeks ago. An active market which got stronger throughout the day, many buyers and farmer feeders in the seats. Special weaned calf sale in Saturday, December 3, expecting 5500, and regular feeder cattle sale Wednesday, December 7. Supply included: 100% Feeder Cattle (56% Steers, 44% Heifers). Feeder cattle supply over 600 lbs was 52%.
