Quite a few Red Angus cattle offered today, best demand for these cattle were replacement quality heifers. Less flesh overall than last week, quite a few green cattle on offer today. Quality similar to last week with many attractive quality cattle to choose from. An active market for this offering. Some dirty hides today as the weather has warmed up to the 30's, snow is melting and pens are getting muddy. Next feeder cattle sale is Wednesday, February 15. Supply included: 100% Feeder Cattle (76% Steers, 24% Heifers). Feeder cattle supply over 600 lbs was 85%.
