Very active market on all classes of cattle today with lots of buyers in the seats competing with buyers on the internet. Icey roads and winter weather in the area caused some cancellations for todays sale. Most of the calves today were fully pre-conditioned, attractive for quality, clean with little to no tag. Calves were light fleshed right off the cow and had been running on dry pasture conditions. Next feeder sale will be Friday , November 18th, expecting a large run of calves and yearlings. Supply included: 100% Feeder Cattle (62% Steers, 38% Heifers). Feeder cattle supply over 600 lbs was 21%.
