Livestock Weighted Average Report for 4/21/2023 - Final

AUCTION

	This Week	Last Reported 4/14/2023	Last Year
Total Receipts:	4,931	5,321	5,384
Feeder Cattle:	4,931(100.0%)	5,321(100.0%)	5,384(100.0%)

Compared to last weeks sale: feeder steers and feeder heifers would be unevenly steady except the800 lbs to 849 lbs steers had lower undertones. A very active market with mostly order buyers competing with buyers on the internet. Flesh condition ranged from light fleshed hay feed cattle to moderate plus cattle coming out of a growyard. Several long strings offered buyers the opportunity to purchase multiple loads of one owner cattle in the same sort. Lots of part loads and packages available to make loads out of as well today. Multiple consignments of replacement heifers were met with very good demand. Lots of optimism in the cattle industry right now and it seems everyone is wanting to have some inventory. Cattle inventory report out today showed larger placements than expected. Spring field work has begun and most of the area could use a good soaking rain as pastures are trying to green up and grow. Next feeder sale will be Friday, May 5, 2023 Supply included: 100% Feeder Cattle (32% Steers, 61% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 86%.
