Compared to last week: yearling cattle not well compared. Best test on steer calves500 to 600 lbs mostly steady with instances up to 5.00 higher. Best test on heifer calves500 to 550 mostly steady. Good demand for today's yearling offering of strings and loads. Yearlings mostly plain to average in quality and in moderate plus to heavy flesh. Moderate demand for today's calf offering featuring mostly packages and just a few loads. Calves varied in quality, from plain to attractive. The majority were off the cow, but there were a few consignments of weaned calves, weaned about 45 days. Most had preconditioning and those without at least one full round of shots in the fall are very met with light demand.
