A light offering last week with few good comparisons, best test on heifers600 to 650 lbs mostly steady, with the rest of the weight classes of heifers and steers not well compared. Good to very good demand for this offering of many packages and loads, best demand seen for grass type cattle, especially black hided ones. Varied quality again this week, from plain to attractive. Flesh condition mostly moderate to moderate plus, some fill seen also. Calves a bit dirtier this week as the warmer temps have lots thawing and getting muddy. An active market seen for this offering. Next feeder cattle sale is Friday, February17. Supply included: 100% Feeder Cattle (71% Steers, 27% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 81%.
