Livestock Weighted Average Report for 10/8/2020 - Final

AUCTION

	This Week	Last Reported 10/1/2020	Last Year
Total Receipts:	2,744	891	0
Feeder Cattle:	2,744(100.0%)	891(100.0%)	0(0.0%)

Too few yearlings to compare to last week and develop as accurate trend. Good demand for a couple loads and many packages, many of these tested open heifers, that made up today's yearling offering. Quality and flesh mostly attractive with most of the offering being home raised and coming off grass. Moderate demand for the first offering of spring calves of the season. All calves off the cow today with varied preconditioning, calves without all their shots or without written proof of having these shots were met with less demand. Quality varied, but mostly average to attractive. Flesh mostly light to moderate. A moderate market with a couple farmer feeders and many order buyers attending the auction. Many producers and farmer feeders are busy with harvest and other fall work and are not yet ready for calves, especially unweaned ones which require a good deal of attention. Next feeder cattle sale is Thursday, October 15, expecting 6000 calves. Supply included: 100% Feeder Cattle (54% Steers, 46% Heifers). Feeder cattle supply over 600 lbs was 28%.
