Heifer calves400 to 550 lbs mostly steady, 551 to 600 lbs 2.00 to 3.00 higher. Good demand for today's large calf offering which sold mostly in packages with just a handful of loads. Quality varied, but less attractive overall than two weeks ago. A couple weaned consignments but the majority came off the cow. Preconditioning varied more this week, and calves without good shots were discounted at times. Colored calves also saw some discounting. A moderate to active market today with both buyers and farmer feeders attending the sale. A winter advisory in effect for tomorrow, expecting very strong winds and some snow which could impact visibility and travel. Next feeder cattle sale is Thursday, December8. Supply included: 100% Feeder Cattle (59% Steers, 41% Heifers). Feeder cattle supply over 600 lbs was 16%.
