Heifer calves 450 to 550 lbs steady to 2.00 higher, 551 to 600 lbs 2.00 to 4.00 higher. Very good demand for a string of 1150 light fleshed, spayed yearling heifers included in today's offering. Calves met with good to very good demand. Many load lots included in today's offering, and many packages as well, most calves were attractive in quality. The majority of the calves still coming off the cow, one consignment of weaned calves included in today's offering, weaned 60 days. Flesh mostly light to moderate. Calves were fully preconditioned, or had a full round of shots in the fall. An active market seen for this offering with buyers, farmer feeders, and a few bull breeders in the seats today. The weather continues to be very mild and dry for this time of year. The calves look especially bloomy and clean right now. Next feeder cattle sale is Thursday, December 10. Supply included: 100% Feeder Cattle (48% Steers, 52% Heifers). Feeder cattle supply over 600 lbs was 55%.
