First reported sale is several weeks so an accurate price trend is not available. Good demand for today's yearling offering featuring just a couple of loads and many packages, most of these being tested open heifers. The majority of this offering was home raised and off grass. Flesh was light to moderate and quality mostly attractive. A moderate to active market with a more limited crowd of buyers in the seats today. Grass conditions in this area have improved as it has seen some good rains the last couple weeks. Next feeder cattle sale is Thursday, September 23. Supply included: 100% Feeder Cattle (14% Steers, 86% Heifers). Feeder cattle supply over 600 lbs was 90%.
