Compared to two weeks ago: Too few steers calves offered to fully test the market, heifer calves mostly steady in a light test. This weeks large offering of yearling steers were of weights not similar to last week, higher undertones prevailed. Yearling heifers were3.00 higher except 800-850 lbs 5.00 to 10.00 higher. Few steers and heifer calves offered as most producers wait for the start of the New Year to start marketing moderate demand for this light run. A nice offering of yearlings, several long strings offered in full loads and multiple load lots. Demand was very good and the market was very active, fleshy conditions ran more towards the heavy side, but there were plenty of buyers eager to capitalize on the opportunity to buy yearlings while they still can. Higher cattle futures and higher cash trade last week helped to support the market this week. Slaughter cow 3.00 to 6.00 higher instances to 8.00 higher, bulls not well tested. Supply included: 95% Feeder Cattle (58% Steers, 42% Heifers); 5% Slaughter Cattle (96% Cows, 4% Bulls). Feeder cattle supply over 600 lbs was 96%.
