Livestock Weighted Average Report for 3/15/2021 - Final

Market not reported this week due to limited receipts. Late winter storm moved across the region overnight with rain and snow made for difficult travel, which resulted in few cattle offered at the auction.

Please Note:
The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
