Livestock Weighted Average Report for 5/3/2021 - Final

Market not reported this week due to very limited offerings. As the weather is ideal to plant corn and beans, area cattle producers are getting their crops in the ground while the conditions allow, resulting in few cattle coming to town.

Please Note:
The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
