Compared to two weeks: Feeder steers 6.00 to 12.00 higher, heifers 13.00 to 15.00 higher. Demand for this exceptional offering of cattle was super. The seats were packed full of farmer buyers and order buyers today for the BBQ special. $190 cattle in the country really sparked many peoples enthusiasm to purchase cattle. Several long strings of eye catching steers and heifers offered, along with lots of smaller packages. Rounds of shots, grass fed and cattle that were hauled in overnight were in biggest demand. Hided color was not as big of a factor as it has been in the past. Light weight cattle highly sought after, as they are harder to find these days. Several long strings of green, yearlings and heifers sold outstanding. Supply included: 100% Feeder Cattle (58% Steers, 0% Dairy Steers, 42% Heifers). Feeder cattle supply over 600 lbs was 91%.
