Todays offering consisted of small stings to a number of load lots. Buyer demand was very good for todays offering. Most feeders were in light to moderate plus flesh condition. This could be one of the last big sales for the spring as the numbers on the farm appear to have moved to market earlier this year due to drought and feed concerns. Today was a Herford influence special and there some top quality steers and heifers in the offering. Next week will have number of replacement heifers in the offering. Supply included: 100% Feeder Cattle (66% Steers, 33% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 80%.
