Livestock Weighted Average Report for 4/28/2022 - Final

Market not reported this week due to light feeder cattle offerings. Cattle producers are still dealing with very challenging conditions after the blizzards that struck the state the last two weeks, resulting in few feeder cattle at the auction.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
