Livestock Weighted Average Report for 6/20/2021 - 6/26/2021

No auctions reported this week as few feeder cattle offered for sale as the high temperatures made livestock handling stressful.

Please Note:
The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
