Livestock Weighted Average Report for 9/19/2021 - 9/25/2021

No reported feeder cattle auctions this week. Recent rain has allowed grass to green up and grow a little helping cow/calf producers to keep their calves on the cow longer.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
