

TEXAS WEEKLY SUMMARY

Week Ending **October 31, 2020**

Receipts: This Week 4,600 Last Week 20,000 Year Ago 24,400

Compared to last week: Not enough cattle traded this week in auctions for a market trend. Cattle movement was extremely hampered by the winter storm that brought ice and snow, but much needed moisture. Hay trades are mostly steady to firm in all regions. In the Texas High Plains grain markets the bulk of bids were 21 cents lower on grain sorghum; 29 cents lower on wheat; and 20 to 21 cents lower on corn.

This report will be discontinued on November 9th. Please refer to the links below to find the individual reports data.
